Fishes That Go Afoot.

In far off eastern seas there is a wonderful isle, called Ceram, where the sea beach is alive and crawls, where the trees have roots that grow in the air, and where the fishes come out of the ocean to climb the trees of the jungle along.

Thus is not a fairy story. Almost the first setual object that grow in the even the first setual object that met the seven the first setual object that met the even the first setual object that met the second over very carefully and consider one of our hest farm bargains; 40 acres of land that we have looked over very carefully and consider one of our hest farm bargains; 40 acres of land that we have looked over very carefully and consider one of our hest farm bargains; 40 acres of land that we have looked over very carefully and consider one of our hest farm bargains; 40 acres of land that we have looked over very carefully and consider one of our hest farm bargains; 40 acres of land that we have looked farm bargains; 40 acres of land that we have looked farm bargains; 40 acres of land that we have looked farm bargains; 40 acres of land that we have looked farm bargains; 40 acres of land that we h

This is not a fairy story. Almost the first setual object that met the eyes of David G. Fairment upon landing in this strange place, on a recent visit there was a species of fig tree whose roots start out of its trunk at eight to ton feet above the ground, and then grow downward to meet the soil in the form of flying luttrerses. These trees are fifty to sixty feet in height; their leaves look like the leaves of the rubber plant, and their juve is milky white like that of the millewed.

"This tree," says Mr. Fairchild, Market and Prospects for the Coming of David G. Fairment upon landing in

"This tree," says Mr. Fairchild, eral terms. "grows so near the seashore that a If you do eral terms.

If you do not see what you want in the above, call at our office and let us go over our large list of farms of all sizes and prices in many locations. Or if you are looking for city or town property, either for a home or investment, we will be glad to show you what we have in that line. Or you can write us and get cuts and descriptions; but a personal interview is much better, if you can arrange it. We also have a number of properties for exchange. We have with us an experienced auctioneer, who has been holding from three to five sales per week for the last three or four months and can sell anything at public auction that you wish to dispose of in that way and assist you in getting up bills and advertising. Call and see us.

Write us or telephone us, at our new commospecies of climbing fish crawls up the roots, semetimes to a distance of thirty or forty feet. When we landed on the island, there were hundreds of these fish jumping around on the sand and climbing the roots of such trees as this, hunt-

ing for insects." But this was by no means all. greater marvel was still to come. Mr. Fairchild goes on to say:

"As we set afoot on this coast of Write us or telephone us, at our new commodious quarters, it coms 2 and 3, in the Howland Cave Building, Barre, Vt. Long distance telesphone 272-La wonders, I turned in amazement to my companion, and said; Why, Mr. Lathrop, the sea beach is running away!" It is no exaggeration to say that the beach was alive with hermit crabs, They seemed as numerous as the sands of the sea, and were of the same color. Their shells ranged in size from a pin's head to that of a horse chestnut, and they were in constant motion, thousands upo thousands of them, crawling up and down the blades of grass, and swarming over the trunks of the trees along the edge of the jungle."—From "Where Fishes Climb Trees," in January Tech-In the City of Montpelier, in the best location in the city. Good business; ten horses and full equipment of buggles, sleighs, harness, etc., besides back, immor waron and double rigs. Bent only \$40.00 per month. Teams and rigs la good condition. For full particulars inquire of the D. A. Ferry Real Estate Agency, Barra, Vt. nical World Magazine.
